Travel to and from European Union countries

The Health Minister's ordinance of April 2, 2021 applies further restrictions to all those who have stayed or transited in the fourteen days prior to entering Italy in one or more of the States and territories listed in List C of Annex 20.

Summary:

<http://www.salute.gov.it/portale/nuovocoronavirus/dettaglioContenutiNuovoCoronavirus.jsp?lingua=english&id=5412&area=nuovoCoronavirus&menu=vuoto>

The ordinance, in force until April 30, 2021 provides that on returning to Italy it is mandatory to: undergo a swab (molecular or antigenic) carried out within 48 hours before entering Italy, with a negative result; undergo health surveillance and fiduciary isolation for a period of five days, regardless of the result of the molecular or antigenic test referred to above; undergo a further molecular or antigenic test at the end of the five-day isolation period.

These provisions do not apply to those who fall under the conditions of exemption as set out in Article 51(7) Dpcm March 2, 2021. See the Exemptions section.

Exemptions:

<http://www.salute.gov.it/portale/nuovocoronavirus/dettaglioContenutiNuovoCoronavirus.jsp?lingua=english&id=5412&area=nuovoCoronavirus&menu=vuoto&tab=9>

EXCEPTIONS. The exceptions to self-isolation and medical surveillance provided by the DPCM of 2 March 2021 continue to apply, to include the exception for members of international organizations and military personnel when traveling on duty status.

The requirement to inform of their arrival in Italy the local competent health authorities, as per article 50, paragraph 3, of the DPCM, remains in place even when the above exceptions apply.

Art. 1

1. For the purpose of containing the spread of the SARS-CoV-2 virus, the measures referred to in the ordinance of the Minister of Health of 30 March 2021 regulating entry into Italy from the states and territories referred to list C of attachment 20 of the Presidential Decree of Council of Ministers March 2, 2021, are extended until April 30 2021.

Art. 2

1. For the purpose of containing the spread of the SARS-CoV-2 virus, the measures referred to in the order of the Minister of Health 13 February 2021 regulating the entry of travelers from Brazil, are extended until April 30, 2021.

Art. 3

1. When traveling to and from Austria, the United Kingdom of Great Britain, Northern Ireland and Israel, the discipline applies provided for the states and territories referred to in list C of annex 20 of the decree of the President of the Council of ministers March 2, 2021, as supplemented by the provisions referred to the ordinance of the Minister of Health March 30, 2021.

2. Without prejudice to the provisions of paragraph 1, to travel from and for the Region of Tyrol the period of fiduciary isolation of referred to in art. 1, paragraph 1, of the ordinance of the Minister of Health 30 March 2021, is equal to fourteen days.

Art. 4

1. This ordinance takes effect from 7 April 2021 and up to 30 April 2021.

2. The provisions of this Ordinance apply to regions with special statute and the autonomous provinces of Trento and of Bolzano in accordance with the respective statutes and related regulations of implementation. This ordinance is sent to the supervisory bodies and published in the Official Gazette of the Italian Republic.
